### Pleasant Valley School District Goals 2022-2023

Pleasant Valley School District drives to:

1. Improve student performance and achievement.
2. Provide a safe and positive school environment for all students and personnel.
3. Expand methods for effective and open communication with our stakeholders.
4. Design and deliver a comprehensive staff development program for all personnel to ensure a cycle of continuous growth and improvement.
5. Meet the long range needs of our students through continuous assessment of facilities and personnel.
