Good evening. In response to the Governor's announcement shutting down all non-essential businesses and services in Pennsylvania, Pleasant Valley School District will close all district buildings effective today until Friday, March 27. Meals for our families in need will be distributed as previously announced at the high school near the stadium from 9 AM-Noon Monday-Friday. Please see our notice regarding meals on our website at [www.pvbears.org](http://www.pvbears.org). Parents who still need to pick up medication for their children can do so Thursday, March 19 at the central administration building from 3-6 pm. Twelve-month Pleasant Valley staff should check their email for further information. We expect additional direction from the Governor over the next week.

Sincerely,

Charlene M. Brennan, D.Ed.  
Acting Superintendent
