Dear Parents & Guardians:

The universal school meals program that was authorized through Congress during the Covid -19 pandemic for all students to receive FREE lunches under the National School Lunch Plan will expire with Summer feeding before the start of the 22-23sy. It has been announced that starting with the 2022-2023 school year, breakfast and lunch meals will NOT be free unless you qualify for Free or Reduced Meals. **It is important that all families that may qualify for Free and Reduced priced meals apply as soon as possible to start receiving these benefits so you are not charged for meals.**

Follow these steps to fill out the application on-line:

1. Go to our website pvbears.org
2. Go to Departments
3. Food Services
4. On the Left side of the website click on Meal Applications to fill out the application.

6. It can take up to 10 days from date of receiving application to process. You will be notified by email if you have qualified for this benefit.
7. This will ensure that your child will be on the free or reduced meal plan for the start of 2022-2023 school year if they qualify through the application process. Otherwise your child will be charged for all meals.
