

PVHS Summer Reading Challenge

This is an optional activity for summer 2022

What is the PVHS Summer Reading Challenge?

The PVHS Summer Reading Challenge is an optional summer reading activity that:

1. Fosters a love of reading through student choice from a variety of genres.
2. Provides students with an opportunity to access books digitally from anywhere their summer adventures take them.
3. Reinforces the skills students use throughout the school year in English as well as in other classes.

How does the reading challenge work?

Students who would like to participate in the summer reading challenge should:

1. Examine the list of books in this document. Search for reviews/descriptions of what the books are about. (Use Google or a similar search engine.)
2. Choose a book that interests you.
3. Email a request to read that book to ferro.bernadette@pvbears.org and include the following info: book title and author, the grade you are entering in the fall, and your 2021-22 English teacher.
4. You will get a response when you have access to that book as well as access instructions.
5. Read the book in Actively Learn and respond to any questions that accompany the book. (The questions are not too hard, and you do not need to get them all right.)

What do students who meet the challenge get in return?

Students who meet the reading challenge by completing one book activity get:

1. To read a great book!
2. To practice skills they will use throughout the 2022-23 school year.
3. But also - - the chance to start the new school year with ***extra credit in your new English class!***
