

Good Evening PVI Families,

This is Kendal Askins, Assistant Principal of Pleasant Valley Intermediate School with the PVI weekly update for January 6, 2019. Monday, January 7th is Cycle Day 2.

The PTO will open the school store tomorrow, Monday, January 7th for all students during lunches in the cafeteria.

The PTO is hosting a winter dance for all students in grade 5. Permission forms were sent home with students this past week. Please be sure to RSVP by Tuesday, January 8th.

The Mad Science of the Lehigh Valley will visit PVI on Tuesday, January 8th with information on their upcoming Mad Science after school program. Please look for informational registration flyers to come home with students.

Do you want to show your PV Pride? PVI is selling "PV Bears" paw print magnets for just \$3.00. Great for your car, filing cabinet or refrigerator. Order forms are available in the PVI December newsletter, PVI main office and on the PVI website. All proceeds go to PVI student activities.

PVI has begun the next big food collection of canned soups for the West End Food Pantry. Our "Souper Bowl" will run through February 1st. A football field display is set up in the main hallway to display the soup that is collected. Thank you for participating in this great cause.

The race to fill those Coins for Cure bottles is still on. Please check through your purse, wallet, car, etc. and send in any spare dimes you may. Each homeroom that fills their water bottle with dimes will receive a special prize on miniTHON day.

Hey Y'all! Who is ready for a boot scootin' good time? Come on out for our 3rd annual Night in the Country on Friday, February 1st from 6-8pm in the PVI Cafeteria. Tickets will be sold for \$5.00 each in the PVI library and in Mrs. Weaver's room through January 30th. Tickets will be \$8.00 per person at the door. You won't want to miss this fun evening which will offer music by Steel Creek Band featuring our own Mrs. Kuntz, and line dancing will be provided by The Wild Rose. See you there!

We are very excited to have begun the process of creating maker space carts for teachers to use in their classrooms. We are purchasing materials through existing budgets, possible grants, and other available funds. We could use your help to help create this great resource for our kids. We have created an Amazon Wish List, so families who are willing can purchase an item to add to our STREAM start up. There is a link available on the PVI website, that will take you right to our wish list, or from your own Amazon account, you can select - find a registry or list, and search pvimakerspace (all lower case and no spaces). Thank you for supporting PVI's stream initiative!

Thanks and have a great evening.
