

Good Evening PVI Families,

This is Todd Breiner, Principal of Pleasant Valley Intermediate School with the PVI weekly update for December 30, 2018. Wednesday, January 2nd is Cycle Day 5.

Valor Clinic would like to report that the total of items donated to Paul's House for the Fall is 358. That is an awesome number and Valor is very thankful to everyone who donated. The collection bin will remain in the PVI library throughout the rest of the school year for any other donations of non-perishable food items and other items that can be found on the PVI webpage.

Do you want to show your PV Pride? PVI is selling "PV Bears" paw print magnets for just \$3.00. Great for your car, filing cabinet or refrigerator. Order forms are available in the PVI December newsletter, PVI main office and on the PVI website. All proceeds go to PVI student activities.

The race to fill those Coins for Cure bottles is still on. Please check through your purse, wallet, car, etc. and send in any spare dimes you may. Each homeroom that fills their water bottle with dimes will receive a special prize on miniTHON day.

PV's next big food collection will start on January 2nd and end on February 1st. We will be collecting cans of soup for the West End Food Pantry. We are calling it the "Souper Bowl!" We intend to set-up a football field display in the main hallway to display the soup that is collected. Thank you for participating in this great cause.

Reminder, Mini-THON t-shirt orders and payments are due back to homeroom teachers no later than January 4, 2019. This year's t-shirt will be orange with "00" on the back in memory of Schyler Herman. All proceeds from this t-shirt sale will go to the #SchylerStrong Foundation, Inc.

We would like to wish all of our PVI families and community a safe and relaxing remainder of winter recess and a Happy and Healthy New Year!

Thanks and have a great evening.
