

Good Evening PVI Families,

This is Kendal Askins, Assistant Principal of Pleasant Valley Intermediate School with the PVI weekly update for April 7, 2019. Monday, April 8th is Cycle Day 3.

Congratulations to Avinney Ackerly for designing the PVI 2018-2019 yearbook cover. Thank you to everyone who submitted a cover design. All of the entries were very artistic and well done.

Hershey Park tickets have arrived! If you submitted an order and payment for Hershey Park tickets, please stop by the main office to pick them up during normal office hours of 8:00 AM to 4:00 PM Monday through Friday. Please be prepared to show ID to pick up your ordered tickets and a signature is required. Tickets will not be sent home with students.

The PTO will be collecting Weis and Shoprite receipts along with Box Tops throughout the month of April.

Don't forget to keep collecting donations for the Coins for Critters campaign that ends on May 3rd. Remember the two PVI classes that collect the most donations will receive a personalized presentation from the Pocono Wildlife Center and their ambassador animals. Together we can help save, protect, and care for injured and orphaned animals in our community!

The Mad Science after school program is scheduled for grades 5 and 6 on Tuesday, April 9th and grade 4 on Wednesday, April 10th. Please be prompt for pick up at 4:45 PM.

Good luck to our 5th and 6th grade students who are participating in the 24 Math Regional Tournament on April 10th and April 11th. We are PVI Proud!

Do you want to encourage someone special to "Do Their Best on the Test?" PSSA Power Packs are on sale for just \$2.00 apiece with all proceeds being donated to PVI Families in Need. Each Power Pack purchased will consist of a #2 Pencil, Eraser, Mint Candy, and new this year.....a special Paw Print Bracelet containing an inspirational message. Power Pack order forms are available in the April Newsletter and students wishing to surprise a friend can purchase a Power Pack from their homeroom teacher through April 10th. Thank you for your contributions and we wish all of our PV students "Success on the Test!"

Grades 5 and 6 Jr. Envirothon Club members will meet after school on Thursday, April 11th.

Attention Stepping Up Parents: Mark your calendar.....Thursday, April 11th is the last day for the Stepping Up Program.

The Valor Clinic will be taking food items donated to Paul's House for filling Easter Baskets this year until Friday, April 12th. Items can be dropped in the collection bin located in the PVI library. Details can be found in the April newsletter and on the pvbears website under Intermediate School and Paul's House. All donations, however small, are greatly appreciated.

Please consider completing the Title I Parent and Family Engagement Survey that was sent home with students. There is also a link to the survey on the PVI website under the Announcements section. We ask that everyone participate in this survey either online or on the form provided by April 30th.

Thanks and have a great evening.
