Dear PVI Families—

We are very excited to have begun the process of creating maker space carts for teachers to use in their classrooms. We are purchasing materials through existing budgets, possible grants, and other available funds. We could use your help to help create this great resource for our kids.

We have created an Amazon Wish List, so families who are willing can purchase an item to add to our STREAM start up. (directions and info. below)

- Visit amazon.com
- Towards the top, right side of the screen, click on the **Accounts & Lists** drop down menu
- Click on **Find a List or Registry**
- Select **list** and type **pvimakerspace**
- You can add any item(s) to your cart, and proceed normally to check out.
- You can have the item(s) shipped to your home and then send it in with your child, or you can ship directly to PVI at

Pleasant Valley Intermediate School—attn: library

477 Polk Township Rd.
