

## **Notice to Pleasant Valley School District Taxpayers**

On July 1, 2019, Monroe County mailed the Formal Assessment Change Notice to all property owners. The initial assessments were mailed on March 1, 2019, and all property owners have been given the opportunity for an informal review process to discuss any discrepancies or update any changes.

If after the July 1 Formal Notices are received, and you still do not agree with your assessment, you have a right to file a Formal Appeal with the Monroe County Board of Assessment Revision on or before August 12, 2019. Appeal forms, rules and regulations are available on the Monroe County Website, [www.monroecountypa.gov](http://www.monroecountypa.gov) and at the Monroe County Assessment Office located at 1 Quaker Plaza Room 102, Stroudsburg, PA 8:00am to 4:40 pm.

By November 15, Monroe County will certify the final assessed values and send these assessed values to the county, municipality and school district. The new values will be reflected in the 2020 tax bills sent.
