

PLEASANT VALLEY SCHOOL DISTRICT
WHAT TO DO IN CASE OF A WORK-RELATED INJURY
EFFECTIVE JULY 1, 2022 THROUGH JUNE 30, 2023

If you suffer a work-related injury, your health and wellbeing are our first concern. If the injury is of a serious nature and requires the assistance of an ambulance or rescue personnel, they should be contacted immediately. If the injury is of a less serious nature, the following procedures must be followed:

1. If you suffer a work-related injury, the first thing you **MUST** do is report the injury to your supervisor. S/he or a designated person in your building will **provide you with an SDIC packet**, and your first step is to call SDIC @ (800) 445-6965 or go online to sdicwc.org (click on the "Report a Claim" button). You must also call **Rose Waller, Benefits Bookkeeper @ 570-402-1000 X 1315**.
2. If you require a prescription for your work-related injury or disease, **do not use your personal health plan prescription card**. Please use the Mitchell International First Fill Sheet, which you will receive in the claim package. When you call in your report of injury to SDIC, they will assign you a claim number. Please use this claim number when seeing a panel physician.
3. If you suffer a work-related injury, **PLEASANT VALLEY SCHOOL DISTRICT** or our insurer will pay reasonable surgical and medical services and supplies, orthopedic appliances and prosthetics, including training in their use when needed. In order to ensure that your medical treatment will be paid for by **Pleasant Valley School District** or our insurer, **you must select from one of the health-care providers listed below for your initial care:**
