PSBA Liaison Report: Ms. Susan Kresge
Ms. Kresge stated that, at the last meeting, it was decided that Ms. Palmer, Dr. Arnold and she would review the PSBA legislative priority list and chose five (5) issues to be submitted to PSBA. They are as follows:
1) Supports the renewal and annual increased appropriation for categorical funding initiative, such as the Accountability Block Grant program, that provide school districts with financial assistance to implement effective educational practices to improve students achievement
2) Support legislation that reduces or eliminates the financial burden on school districts for cyber and charter
3) Supports legislation to increase the state contribution for special education services based on actual cost incurred and students served
4) Supports legislation that establishes a K-12 education funding system that is built upon the principles of equity, adequacy, efficiency, accountability and predictability; uses a statewide funding formula for school district subsidy that recognizes the number of students taught, the relative wealth of a district, the
local tax effort and the actual costs of education every student to achieve Pennsylvania’s academic standards; and requires the state to fund 100% of all budgeted subsidy payments on a timely basis.

5) Supports legislation permitting alternative methodology for measuring individuals and aggregate student progress under the NCLB Act for determining AYP targets, specifically for ESL students and students with disabilities, without compromising accountability determinations.

- The House and Senate will reconvene on Monday, January 26th for the 2009-10 session of the general assembly. There will be 34 new members.
- The House committees have new leaders; three out of the four caucuses’ chairmen are new.
- PSBA will strive towards enacting mandate relief for school districts, with the emphasis on school resources on educational issues. The initiative is called Focus Resources on Educational Expenses (FREE).
