MEETING PROCEDURES:

President Thomas Murphy referred to the agenda that was available to everyone present and to the meeting procedures that were attached.

PLEASANT VALLEY CITIZENS:

Valerie Szmaciasz, Chestnuthill Township, asked the school board and the district for consideration on dropping her kindergarten student in front of their home rather at the designated corner stop. Ms. Szmaciasz explained that her daughter attends Christian Faith School and she is the only student dropped off at the stop. Her home is three houses away from the corner and feels it would not be any monetary hardship to the district to drop her daughter in front of the house rather than at the corner. Ms. Kresge asked Mr. Pierri to report on how many other kindergarten students are in the same situation, the only student getting off the bus at a corner stop. After considerable discussion, Dr. Pullo asked Mr. Pierri to investigate the situation and get a decision to Mr. Fisher before Monday so that Ms. Szmaciasz has an answer before the bus stop changes take effect. Mr. Sabia expressed his opinion by stating that he is in favor of moving the stop for Ms. Szmaciasz. Ms. Kresge expressed her opinion by stating that if we make this change there could be a snowball effect with other parents requesting the same treatment. Mr. Hoffman asked why these corner stops were being changed after the school year already begun. Mr. Pierri stated that it was a directive to drivers at the beginning of the school year; however some drivers chose not to follow the new procedure.

- ◆ Mr. Hoffman asked for an explanation of the piggy-back on item #6.10.9.1. Ms. Les spoke with vo-tech and agreed to include them in our bidding process.
- ◆ Mr. Murphy asked what is changing on policies in item #6.10.6. Ms. Les explained that the state auditors are requesting language that requires any person that is hired by a school district board and has a criminal infraction must report that information to the school board. This means any information that shows up on the Act 34 clearance form or the 151 form. State law requires filing the forms at hire only. Discussion occurred regarding legislation that may come into law requiring these forms to be re-filed every few years. Mr. Murphy expressed his opinion stating that this is a waste of time because this is something that we can not enforce.
