Food for Thought
Your body synthesizes vitamin D when your skin is exposed to sunlight, but too much sun may also increase your risk for skin cancer, wrinkles and age spots.

Memorial Day	BREAKFAST			
<p>Memorial Day is a United States federal holiday that is observed on the last Monday of May. It was formerly known as Decoration Day. This holiday commemorates U.S. men and women who have died in military service to their country. It began first to honor Union soldiers who died during the American Civil War. After World War I, it was expanded to include those who died in any war or military action. One of the longest standing traditions is the running of the Indianapolis 500, which has been held in conjunction with Memorial Day since 1911.</p>	French Toast Mini	Yogurt with Mini Blueberry Loaf Bread	Whole Grain Pop-Tart	Cereal

Food for Thought
 Encourage physical activity. Everyday, anything goes! Active kids burn calories, increase muscle and bone density and are out of the kitchen.
