---

Greetings:

All employees who have not attended the required Mandated Reporter training held at Pleasant Valley must complete the on-line training listed below and submit the certificate of completion to the Human Resource Office.

If you participated in a training at a previous district or organization, you can submit a certificate or letter of attendance from that school district.

The training program has a feature that allows the program to be stopped and started at a later time.

Thank you

## Act 31 On-line Training

The School of Social Work at the University of Pittsburgh through its Child Welfare Resource Center and Continuing Education Program offers Act 31 On-line Training for LSW/LCSW, LPC, and LMFT professionals in Pennsylvania. This training is free of charge and is three credit hours. A certificate can be printed at the conclusion of the training, and notification of completion is automatically forwarded to the Department of State.

Please refer any questions regarding the on-line training to the PA Child Welfare Resource Center. Technical assistance is available by e-mailing [HelpCPSL@pitt.edu](mailto:HelpCPSL@pitt.edu) or calling (717) 605-0236.

Click the link below to access the training module and select "Registration".
