Pleasant Valley Cyber Academy Guidelines

January 3, 2020

Grades K through 8

- + Any building student interested in enrolling in PV Cyber Academy must meet with their assigned school counselor. PVCA has open enrollment during the school year.
- + Any current PV Cyber Academy student intending to return to the building must contact their assigned school counselor. All books, equipment and cables must be returned the day of return.

Grades 9 through 12

- + Any building student interested in enrolling in PV Cyber Academy must meet with their assigned school counselor.
- + This meeting needs to occur no later than "five" school days prior to the end of the current building marking period.
- + Students will not be permitted to enroll into PV Cyber Academy for the fourth marking period unless approved by your counselor and the PVCA Administrator.
- + Any current PV Cyber Academy student intending to return to the building must contact their assigned school counselor. All books, equipment and cables must be returned the day of return.
- + This contact needs to occur no later than "five" days prior to the end of the current building marking period.
