2. Choose 'PV Cyber Academy' from the drop-down menu.
3. Click on the 'Request a Demo' link and submit the requested details.

## Pleasant Valley Cyber Academy *Now accepting enrollments for students in grades K-4!*

# Unique Opportunities for EVERY Student!

Dear Parent or Guardian,

On behalf of Pleasant Valley School District, I am excited to announce that starting in the 2018-2019 school year we are expanding our cyber academy to resident students in Kindergarten through fourth grade. We know that providing Pleasant Valley students many options and opportunities to customize their learning is critical to student growth and development. Because of technological advances, our students' futures will be much different than we as parents have experienced; therefore, PV is working hard to offer educational options that develop a wider skill set that is flexible and adaptable.

Pleasant Valley Cyber Academy is uniquely positioned to provide students with the option of hybrid scheduling by developing a customized schedule of online courses and in-person courses within Pleasant Valley's elementary schools, such as art and music courses, to name a few. Students also gain full access to extra-curricular activities, clubs, and district resources such as counseling and tutoring services, libraries, and athletic facilities. Students can also take advantage of opportunities to participate in school-sponsored activities and social events such as:

- Trunk-or-Treat
- Ready Set Read Now!
- Santa Luncheon
- Winter Tree Lighting & Concert
- Holiday Shop
- Plant Learn Kindergarten Night
- 3rd Grade Ski Club
- Family Fun Event
- January in the Jungle Carnival
- A Night of Unity
- School Dances
- Bunny Luncheon
- Academic Fair
- Summer Reading & Math Camp
- Book Fair & Much More

I would like to personally invite you to learn more about this exciting new educational opportunity by visiting <https://www.pvbears.org/domain/46> (more details can be found on the reverse side of this letter).

I look forward to you and your student(s) learning more of what Pleasant Valley Cyber Academy has to offer in educational opportunities and experiences that is unmatched in today's world of online education.

Sincerely,

A handwritten signature in black ink, appearing to read "Lee J. Lesisko".
