Pleasant Valley Elementary Student Handbook

Welcome to the Pleasant Valley Elementary School Handbook. We hope this handbook will be a useful resource and will assist you in your child's education to support your knowledge of school district policy and procedure. We look forward to partnering with you at PVE in your child's education!

General Information

School Admission

Children may be admitted to kindergarten if they are five (5) years old before the first day of September of the school term.

Registration of Students

Pre-Registration for Kindergarten 2023 begins in September 2022. Pre-Registration is recommended to participate in the Ready, Set, Learn! Pre-K Program. Registration for Kindergarten begins in the spring. If you are new to the area, you should register your child(ren) as soon as possible. Office hours for registration are 8:00 AM to 4:00 PM by appointment only.

At the time of registration you must bring your child's birth certificate, passport or baptismal certificate, proof of residency, and immunization information. The telephone number for registration and registration questions is 570-402-1000 extension 8010.

District Calendar

The Pleasant Valley School District calendar is available online and is sent home with students at the start of the school year. This calendar contains the dates of all-important district-wide functions and general information for parents/guardians and community members. The district calendar also includes the days that are designated as "snow make-up days" when school is canceled due to inclement weather. The district plans to utilize remote instructional days as a method to provide continuity of education. These days will be announced as they are determined.

Six Day Cycle

The school schedule will revolve on a six (6) day cycle. Each day will be designated as Day 1, Day 2 ... through Day 6. On each seventh school day, the cycle will repeat itself and begin again with Day 1, etc. Any days lost to inclement weather or vacations will be skipped over, and the six-day cycle will continue without interruption.

Remote Instructional Days (R.I.D.)

Remote Instructional Days may be called throughout the year. If a Remote Instructional Day is used, students are expected to participate in remote learning that day. Guidance will be provided to families via district communication whether school will be closed or if a remote instructional day will be used. We identify them as Remote Instructional Days (R.I.D). All days classified as R.I.D will run on a one hour delay schedule.

“No School for Students” Days

A few days will be scheduled throughout the school year for staff professional development activities and parent/guardian teacher conferences. Parents and guardians should follow the district calendar for these "No School for Students" days.

Unscheduled School Closings/Early Dismissal/Delayed School Opening

Unfavorable weather conditions or other emergencies require school closings, early dismissals, or delayed openings periodically throughout the school year. Information will be announced by local television and radio stations, the district website (www.pvbears.org), social media, and an automated call to all families of students attending Pleasant Valley School District. **Please make sure that your**

correct contact information is up to date in the building office so you are receiving automated calls at the appropriate phone number(s).

Parents/Guardians should always prepare for the possibility of school closings that may occur during the school day. Please make sure that your child has an early dismissal plan. Your child may need to go home if an emergency develops at school. School days lost for such reasons will be made up according to the school calendar, as decided by the Board of Education.

Programs and Procedures

Cafeteria Program

Pleasant Valley School District provides an opportunity for children to purchase healthy meals each day. Breakfast and lunch menus are planned to provide balanced meals at a minimal cost. Special dietary needs can also be accommodated.

Cost for breakfast	Cost for lunch
Daily = \$1.60	Daily = \$2.85
Reduced = \$.30	Reduced = \$.40
Milk Only = \$.50	Milk Only=\$.50

Monthly menus are sent home with children to assist in breakfast and lunch selection. You can also access the menu on the school district website at www.pybears.org. Parents/guardians can monitor their child's lunch account on the school district website and make online payments.

Under the federally funded National School Lunch Program, free and reduced breakfast and lunches are available for students who qualify. Application forms are sent home to all families at the beginning of each school year or can be accessed in any school office throughout the school year. Applications can be returned to the main office for processing at any time.

Gift Buying

Pleasant Valley School District discourages the practice of staff members receiving gifts from students.

Lost and Found

Each school maintains a "lost and found" area for items that students have misplaced. If your child has lost clothing items, please come to the school to see if it has been found. Articles of clothing should be labeled with your child's name. Unclaimed articles will be donated at the end of the school year.

School Pictures

Student photographs are taken as a school service to children and parents/guardians. Individual and/or group pictures are taken in all buildings according to a predetermined fall and spring picture day(s) schedule. Purchase of these pictures is optional.

School Bus Transportation

Our school district utilizes the services of First Student to transport our students. First Student, based in Cincinnati, Ohio, is one of the leading transportation companies in the United States. The school district and First Student work together to provide safe and efficient school bus transportation for all students. First Student may be contacted directly at 570-402-2282. We encourage parents/guardians to contact their child's school first regarding questions/concerns relating to school bus transportation.

Expectations for responsible bus behavior are indicated below. The school district reserves the right to suspend any student from riding the bus who cannot follow the guidelines for responsible behavior.

1. Follow the bus driver's directions
2. Sit safely in the seat with back to the back of the seat
3. Stay seated until assigned stop
4. Face the front of the bus
5. Keep hands, feet, and all items within their personal space and inside the bus
6. Keep main aisle clear
7. Maintain a quiet voice and use appropriate language
8. No eating or drinking on the bus

NOTE: The school bus is an extension of the classroom. Students are expected to maintain the same behavioral expectations on the school bus as in school.

As per PVSD Board Policies No. 226.1 and No. 810.2, the use of video and audio recording equipment supports efforts to maintain discipline and to ensure the safety and security of all students, staff, contractors and others being transported on district-owned, operated, or contracted school buses or school vehicles. The Board authorizes the use of video and audio recording on school buses and school vehicles. The Board prohibits the use of audio recording on any school bus or school vehicle that is not being used for a school-related purpose. The district shall comply with the provisions of federal and state laws and regulations.

If you have any issues with your student's bus or bus stop location, please visit our website at pvbears.org and select *Departments* then *Transportation* and click on the *Bus Stop Change Form* link. Please allow 72 hours for a response. Most responses will be sent via **e-mail**.

Arrival and Dismissal Procedures for Parent Pick-Up and Parent Drop-Off

PVE has specific arrival and dismissal procedures. Please see below:

Detailed Student Drop Off Instructions:

If you are dropping your child off for school in the morning, please park your vehicle in the parking lot. You will then walk your child to the front doors. Students are not permitted to be dropped off in the parking lot and walk on their own to the school. Parents must accompany their child to the front door. Students can be dropped off between 8:50-9:00. **Students may not be dropped off prior to 8:50.** Students being dropped off after 9:00 will need to be signed in by a parent.

Detailed Pick-up Instructions:

Please contact the school office if your child will be picked up by you every day (Permanent Parent Pick-up). Parents who will be doing *Parent Pick-up periodically*, will be required to send a note in with the student on **the day that the student will be Parent Pick-up**.

If you are picking up your child, you will need identification. Parents/Guardians will need to park in the parking lot and walk to the front doors of the school. Permanent Parent Pick-up students will be lined up by grade level or siblings will be in a line titled, "Multiples." Students being picked up periodically will be lined up in a line titled, "Daily Notes." Please wait patiently near the respective door for your child. You will be greeted by a staff member, who will verify your identification by looking at your ID and then your child will be sent out to you. In an effort to maintain safety and make this process as efficient as possible, we ask that you encourage your child to report directly to the parent pick-up area upon dismissal. Our Parent Pick Up process will begin at 3:22.

Early Pick-Up:

Parents/Guardians who will be picking up their child(ren) before the school day ends will be required to send in a note via pveparentpickup@pvbears.org indicating that the student will be picked up early. Upon arrival, parents/guardians must park in the parking lot and come inside the main entrance. A valid photo identification will be required for the student to be released.

Things to remember for parent drop-off and parent pick-up include:

1. Be alert at ALL times.
2. When driving on school property, please maintain a safe speed limit of 15 miles per hour or less. For the safety of our students, please do not pass other cars during drop off and pick up.
3. Students are not permitted in the building prior to the assigned start time.
4. Children should never be dropped off and left unattended prior to the start of the school day.
5. Advanced notice, preferably in writing, should be provided with the date, the child's name, the name of the individual picking up the child, the teacher's name, and time of pick up.
6. A child will only be released to individuals listed on the parent pick-up note and the emergency contact information. Please update your child's emergency contact information regularly by contacting the central registration office.
7. Students will only be released to individuals 18 years or older with appropriate identification.
8. We ask that parents should not use cell phones while picking up or dropping off children.
9. Please obey all parking lot signage.

Use of Personal Electronic Equipment

Students may bring personal electronic equipment to school for use on the bus. Please make sure all personal electronic devices and/or games are labeled with the student's name. It is the student's responsibility to protect the personal electronic equipment from loss or theft. These items must be stored in students' backpacks in the off position during the school day unless otherwise permitted by appropriate school authorities to use during instructional time. For more detailed information, please refer to Pleasant Valley School District Policy No. 237 *Electronic Devices*.

Attendance

Attendance and Absences

Compulsory attendance becomes effective when a student enters school for the first time, which shall not be later than six years old, and continues until the student becomes 18 years of age.

Any time a student is absent from school, a written excuse including the following information must be sent to the child's teacher within three days:

- The child's first and last name
- Teacher's name
- Date of the absence
- Reason for the absence
- Legible signature

Excuses may be emailed to pveattendance@pvbears.org. Absences shall be treated as unexcused until the district receives a written excuse explaining the absence, to be submitted within three (3) days of the absence. Any questions pertaining to attendance should be emailed to pveattendance@pvbears.org.

When a student has been absent for three (3) days during the current school year without a lawful excuse, district staff shall provide notice to the person in parental relation who resides in the same household as the student within ten (10) school days of the student's third unexcused absence.

Absences shall be treated as unexcused until the district receives a written excuse explaining the absence, to be submitted within three (3) days of the absence. A maximum of six (6) days of cumulative lawful absences verified by parental notification shall be permitted during a school year. All absences beyond ten (10) cumulative days shall require an excuse from a licensed practitioner of the healing arts.

The following conditions or situations constitute reasonable cause for absence from school:

1. Illness, including if a student is dismissed by designated district staff during school hours for health-related reasons.
2. Obtaining professional health care or therapy service rendered by a licensed practitioner of the healing arts in any state, commonwealth or territory.
3. Quarantine.
4. Family emergency.
5. Recovery from accident.
6. Required court attendance.
7. Death in family.
8. Participation in a project sponsored by a statewide or countywide 4-H, FFA or combined 4-H and FFA group, upon prior written request.
9. Participation in a musical performance in conjunction with a national veterans' organization or incorporated unit, as defined in law, for an event or funeral. The national veterans'

organization or incorporated unit must provide the student with a signed excuse, which shall include the date, location, and time of the event or funeral. The student shall furnish the signed excuse to the district prior to being excused from school.

10. Observance of a religious holiday observed by a bona fide religious group, upon prior written request from the person in parental relation.
11. Non school-sponsored educational tours or trips, if the following conditions are met:
 - a. The person in parental relation submits the required documentation for excusal prior to the absence, within the appropriate time frame.
 - b. The student's participation has been approved by the Superintendent or designee
 - c. The adult directing and supervising the tour or trip is acceptable to the person in parental relation and the Superintendent.
12. College or postsecondary institution visit, with prior approval.
13. Other urgent reasons that may reasonably cause a student's absence, as well as circumstances related to homelessness and foster care.

The district may limit the number and duration of non-school sponsored educational tours or trips, college or postsecondary institution visits for which excused absences may be granted to a student during the school year.

Educational Trips

Approval must be requested in advance for any educational trip taken during the school year. The principal must be notified at least two weeks prior to the absence. No student may spend more than a total of five (5) school days on an approved educational trip in any given school year. Extended trips must be discussed with the building administrator to outline necessary requirements.

A building-approved Non-School District Sponsored Educational Trip or Tour (up to five [5] days in length) and/or College Trip (up to three [3] days in length) will not be considered an absence, but will be counted as an approved field trip. All written requests need to list the dates of requested absence. It is further understood that the student is responsible to make up all tests/quizzes missed during the absence within five (5) days of return to school. Assigned work is due upon the student's return unless other arrangements have been made.

The form to request approval can be found on the district website or at your school's attendance office.

For more information, see Board Policy No. 204.

Tardiness

It is important that all students arrive at school on time. If a student is tardy, the parent/guardian will be asked to provide a written excuse. If students are tardy, they must be accompanied into the building by an adult. Do not allow tardy students to come into the building unaccompanied. A record of the time

arrived and reason for late arrival will be maintained. Minutes tardy will accumulate and may result in truancy proceedings. At PVE, tardiness begins at 9:00 AM.

Sign in/Sign out Sheet

When a student arrives late to school or if he/she is signed out early, proper documentation must be completed in the school's main office. Proper identification will be required. Parents/Guardians are discouraged from signing their children out before regular dismissal time to minimize the loss of instructional time.

In addition, any visitor entering the building will be required to sign in and out. Proper identification will be required.

Dress and Grooming Guidelines

The Pleasant Valley School District dress and grooming guidelines apply to all students. Students in violation of the guidelines will be asked/sent home to change and discipline consequences will be applied.

Please adhere to the policy and dress appropriately for an educational setting. Clothing must be appropriately sized for the student; that is, they are to be no more than one (1) regular size larger than the student actually measures. It also means that bottoms are not to be tight. Extra wide, extra full, extra-long, baggy, or sagging bottoms, as well as tight and/or undersized bottoms, are not permitted.

- Jeans, khaki pants, athletic pants, yoga pants (leggings), dresses, and skirts are all acceptable lower garments.
 - All garments must be in good repair and not have any holes or rips.
 - Lower garments must fit and be an appropriate length as defined as covering approximately three quarters of the thigh and cannot reveal undergarments. Shorts, dresses, and skirts should maintain an appropriate fit and length while walking, sitting, reaching, and bending over.
 - Lower garments must be worn at the hip without sagging.
 - Cut-off shorts are not permitted.
- Upper Garments (shirts) must be in good repair and not have holes, rips, or slashes.
 - Upper garments must cover the shoulder, torso, and midriff and must not be excessively tight or low cut from the collar. Shirt hems must fall below the waistband of lower garments. Upper garments cannot reveal undergarments.
 - Sweatshirt hoodies are acceptable to wear inside of the building, but hoods may not be worn on the head at any time.
- Clothing or jewelry that are not permitted includes items that promote or reference drugs, alcohol or tobacco. Articles of clothing or accessories imprinted with messages pertaining to drugs or alcohol, any advertisement for any alcohol product or establishment which deals with alcohol; gun or weapon related apparel, clothing or accessories that may be gang related, vulgar,

obscene or profane pictures or sayings; double-meaning slogans; clothing overly suggestive or revealing; and wearing articles of clothing in which undergarments are deliberately exposed to view. Clothing or jewelry that promotes or makes reference to cult or satanic activity. Clothing or jewelry that promotes or makes reference to weapons, violence, gang affiliation, sex, sexism, sexuality, political messages and or ethnic/racial prejudices. Clothing or jewelry with suggestive themes and or obscene pictures, words, or gestures. All of these items are not permitted.

- Shoes
 - As a safety measure, footwear must both be of the same pair and intact.
 - Sandals or clogs must have a back strap and footwear with shoelaces must be tied.
- Hats are not acceptable to wear inside the building at any time unless permitted as part of an announced school spirit theme.

When a student's dress is representative of a danger to his/her health, safety, or welfare or creates a distraction to the learning environment, the administration will request that the student change his/her clothing. A violation of the dress code may result in disciplinary action.

Students may be required to wear specific types of clothing while participating in physical education classes, technical education classes, science laboratories, family consumer science classes, and or extracurricular activities.

For more information, see Board Policy No. 221.

Positive Behavior/Code of Conduct

School Wide Positive Behavior Support

A major function of school is to assist in the development of responsible behavior in all students, and support students in accepting responsibility for their own behaviors. Schools are designated for learning. Responsible behavior is an integral part of the overall learning environment. The promotion of responsible behavior is enhanced through our Positive Behavior Support Program (PBS) and learning from members of the community, parents/guardians, and other students.

Parents/guardians are encouraged to join the elementary faculty and staff in reinforcing and supporting positive and respectful behavior. The Positive Behavior Support program is implemented in grades K-2 to help students make the best choices regarding behavior. The building expectations are as follows:

PVE PAWS (Grades K-2)

1. Prepared to Learn
2. Always Be Respectful
3. Winning Choices
4. Safety First

Students meeting these expectations are randomly rewarded with tickets and may redeem the tickets for many different rewards throughout the school year.

The Pleasant Valley School District has an established Board policy outlining a progressive discipline model for handling student behavior. Parents/Guardians should become familiar with these policies and procedures. All school district policies are available on the school district website at www.pybears.org for your reference.

Elementary Student Code of Conduct

We take great pride in our school and the behavior of our students. Courtesy is to be observed at all times and in all situations, without exception. In order to provide a positive learning experience so that all students can receive the best education possible in a safe and orderly setting, certain types of behavior are prohibited. Actions on the part of our students that reflect negatively on our school are taken seriously and are addressed immediately.

Attendant upon the rights established for each student are certain responsibilities, which include regular attendance; conscientious effort in classroom work and homework; conformance to Board policies and school rules and regulations; respect for the rights of teachers, students, administrators and all others who are involved in the educational process; and expression of ideas and opinions in a respectful manner.

It shall be the responsibility of the student to:

1. Be aware of all policies, rules and regulations for student behavior and conduct him/herself accordingly. Each student shall assume that, until a rule is waived, altered or repealed in writing, it is in effect.
2. Volunteer information in matters relating to the health, safety and welfare of the school community and the protection of school property.
3. Dress and groom to meet standards of safety and health, and not to cause substantial disruption to the educational processes.
4. Assist the school staff in operating a safe school.
5. Comply with federal, state and local laws.
6. Exercise proper care when using district facilities, school supplies and equipment.
7. Attend school daily and be on time to all classes and other school functions.
8. Make up work when absent from school.
9. Pursue and attempt to satisfactorily complete the courses of study prescribed by local school authorities.
10. Report accurately in student media.
11. Not use obscene language in student media or on school property.

Violations of this policy may result in disciplinary action, consistent with the Code of Student Conduct and Board policy.

Students and Parents/Guardians are encouraged to refer to the Pleasant Valley School District website at www.pvbears.org to review the Pleasant Valley School District School Board Policies. Specifically, please refer to information regarding Student Rights and Responsibilities (Board Policy No. 235) regarding student expectations as well as all information in the Pupil Section 200 related to Student Code of Conduct.

Honor Code

It is the belief in the Pleasant Valley School District that the honest pursuit of academic excellence will lead to self-satisfaction, awareness, image, and integrity. The belief in self-actualization through the learning process stems from the student responsibility to pursue knowledge. This honor code represents the belief that all students are capable of the honest pursuit of academic knowledge through research, homework, class work, testing, and all other methods used by the faculty to assist and assess student progress. Unfortunately, some students feel the pressure and need to circumvent the learning process by doing such things as communicating answers with another, the unauthorized use or acquisition of material, and/or using the work of others and submitting this work as their own. In this regard, learning has not taken place, and in fact, a serious deterioration of the learning environment, student assessment, and the student's own principles have been violated.

Discipline Code

To conduct himself/herself appropriately in school, the student must learn the basic discipline guidelines from both the school and the home. Discipline must be looked upon as important and necessary by the student, the parent(s)/guardian(s), and the school.

Unacceptable forms of student behavior can be organized into three categories:

Level I. Acts of misbehavior resolved by the classroom teacher and/or principal or designee.

Level II. Misbehaviors, which by their seriousness or frequency require disciplinary action by the principal or designee.

Level III. Misbehaviors which are extremely serious, highly disruptive and/or illegal or criminal in nature and are addressed by the principal or designee.

Final decisions regarding the type and/or pervasiveness/severity of the behavior and the disciplinary consequences to be applied are at the discretion of the administration. In all cases, disciplinary action and/or privilege denial may be accelerated for repeat offenders and/or due to the pervasiveness/severity of the offense(s).

The charts below list the types of infractions and consequences for the first 3 offenses of each infraction at each level of student misbehavior.

Safety and Security

Emergency Procedures

Parents/Guardians will be notified immediately in the event of an emergency. However, sick or injured children will not be sent home on the school bus. If parents/guardians cannot be reached, an emergency contact person designated by the parent/guardian will be contacted.

It is very important that your child’s emergency contact information is up-to-date and accurate. If you need to change your child’s emergency contact information this may be done on the Infinite Campus Community Portal by going to www.pvbears.org or by contacting the main office of your child's school. Parents/Guardians must go to the registration office (adjacent to the middle school) to change their address.

Custody

If there is a court order regarding the parental rights of your child, the court order should be submitted to the district registration office immediately. A copy will be made and filed in the child’s student record. Without a court order, both parents have equal access to the child and the child's records.

McKinney-Vento Homeless Education Program

MCKINNEY-VENTO HOMELESS ASSISTANCE ACT: The Education for Homeless Children and Youth (EHCY) program is authorized under Title VII-B of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11431 et seq.) (McKinney-Vento Act).

The McKinney-Vento Act was originally authorized in 1987 and most recently reauthorized in December 2015 by the Every Student Succeeds Act (ESSA). The McKinney-Vento Act is designed to address the challenges that homeless children and youths have faced in enrolling, attending, and succeeding in school.

Under the McKinney-Vento Act, educational agencies must ensure that each homeless child and youth has equal access to the same free, appropriate public education, including a public preschool education, as other children and youths. Homeless children and youths must have access to the educational and related services that they need to enable them to meet the same challenging state academic standards to which all students are held. In addition, homeless students may not be separated from the mainstream school environment. Local Educational Agencies are required to review and undertake steps to revise laws, regulations, practices, or policies that may act as barriers to the identification, enrollment, attendance, or success in school of homeless children and youths.

The law indicates that the LEA liaison shall ensure that all homeless children, youth and families are identified through coordinated activities with other entities.

When a student is identified as being McKinney-Vento eligible, staff will:

- Assist with enrollment, monitor school attendance, and arrange transportation (Kg-8 students)
- Provide school supplies and other school related materials as needed
- Advocate for and support students and families through school and home visits
- Set clear expectations for student behavior, attendance, and academic performance
- Assist students/families with access to community services
- Assist students/families with access to tutoring, special education, and English language learner resources
- Assist students so that they can participate in sports, field trips, and school activities

For additional information, please contact the Child Accounting Office at 570-402-1000 Ext. 1215

Student Records

Records are maintained to support the educational process and for the convenience of current and former students. Parents/Guardians or current students may review records through the school office.

There is a procedure for correction, addition, or challenge of the record when permission from the parent/guardian or the student (if over 18 years of age) is needed for release of records outside the school district. Exemptions are as follows: if the student transfers out of the school district, if the school district receives a subpoena, if the student seeks admission to a post-secondary school, and if the directory information is sought in the case of an emergency or police matter. Specific additional policy information may be accessed on the Pleasant Valley School District website regarding student records at www.pvbears.org.

Video Surveillance (Board Policy No. 226.1, 709, and 810.2)

Surveillance is used to promote the order, safety, security, and property of students, staff, and others. Recordings may be used for review of any incidents involving students, staff, and/or others and as evidence for disciplinary and/or legal action.

Volunteers

Volunteers (Board Policy No. 916)

A volunteer is an adult, whose role is more than that of a visitor, who voluntarily offers a service to the district without receiving compensation from the district. A volunteer is not a school employee. Please contact the PVE main office if you would like to volunteer 570-402-1000 x 6018.

We have two classifications of volunteers:

1. Position Volunteer - an adult applying for or holding an unpaid position with a school or a program, activity or service, as a person responsible for the child's welfare or having direct volunteer contact with children. Examples include, but are not limited to, field trip chaperones, tutors, coaches, activity advisor, recess or library aides, etc.
2. Guest Volunteer - an adult who voluntarily provides a service to the district, without compensation, who: (1) works directly under the supervision and direction of a school administrator, a teacher, or other member of the school staff; and (2) does not have direct volunteer contact. Examples include, but are not limited to, volunteering to assist in classroom

celebrations, school assemblies, or school concerts, reading to students, collecting tickets at sporting events, working concession stands, participating in "Career Day," etc.

Parent Teacher Organization (PTO)

We need parent volunteers to support the success of the school community. The PTO is a parent/guardian volunteer organization that provides an opportunity for the home, school, and community to work together for our children. In the past, the PTO has provided our students with playground equipment, books for the school library, technology, school-wide and classroom celebrations, Holiday Shoppe, school store, and various after-school social events for both students and families. Additionally, many individuals generously volunteer their time to tutor students and assist with special events at school.

The PVE PTO holds monthly PTO meetings. Check your school calendar for dates and times of PTO meetings. All parents/guardians are encouraged to attend these meetings. Your attendance at these meetings is important both to learn about what is going on in our schools and to provide support to the children. Any and all parents are welcome to come and give their support. Please contact your child's classroom teacher or the main office of your child's school to sign up to volunteer.

For more information, see Board Policy No. 916.

Academic Instruction

Reading / Language Arts

It is the goal of the Pleasant Valley School District to provide students with rigorous instructional opportunities aligned with the Pennsylvania Core Standards. The first component of our Language Arts Program is reading instruction. Our reading instruction is delivered using the Units of Study for Teaching Reading in a workshop model. This model provides the ideal opportunity for students to be matched with books on their appropriate reading level, while also being given the authority to choose books based on their interest. The Reading Workshop Model offers a simple and predictable framework for teaching strategies and for giving students feedback while they are in the midst of their ever-changing, complex reading work.

The second component of our Language Arts program is writing instruction. Writing instruction is delivered using the Units of Study for Teaching Writing in a workshop model. This model is composed of a mini-lesson, student writing, conferences, and "share time" during which students share their writing. The writing component also includes spelling and grammar instruction.

A phonics/word study component is included in grades K-2. Students are provided explicit phonics instruction with ample opportunities to practice phonics and word study skills throughout their reading and writing.

Within the Language Arts Program, our highly differentiated instruction targets specific student needs based on diagnostic assessment data and classroom performance. Every student is given a STAR benchmark screening assessment three times per school year. This is designed to be used in conjunction with classroom performance and ongoing assessment to help teachers and school administrators identify each student's instructional needs.

Mathematics

The Pleasant Valley Elementary school implements the Ready Classroom series by Curriculum Associates. This instruction is designed to meet the needs of all students while aligning with the Pennsylvania Core Standards.

Within the math program, our highly differentiated instruction targets specific student needs based on diagnostic assessment data and classroom performance. Through iReady, every student is given a benchmark assessment three times per school year. This is designed to be used in conjunction with classroom performance and ongoing assessment to help teachers and school administrators identify each student's instructional needs.

Science

In grades K-2, our science instruction is developed to provide inquiry based learning opportunities for all students. These opportunities are integrated into literacy and math instruction.

Social Studies

The overall goal of the K-2 Social Studies program is that students will achieve a greater understanding of themselves and others in the global society we live in. These learning opportunities are integrated throughout literacy instruction.

Educational Resources

Online Resources

The Pleasant Valley School District values the ease of access to information and materials that help parents/guardians support their children. On the Pleasant Valley School District website (www.pybears.org), you can find district information including the school calendar, policies, services, activities, and links to each of the schools in the district. You can access Twitter for PVE (@pvebears) to stay up-to-date on current events. Please also visit the Pleasant Valley School District Facebook page for PVSD related news.

Seesaw

Seesaw, an online learning platform, will be utilized for the 2022-2023 school year for remote learning, if the need arises. Seesaw will also be used as a primary means of communicating with families. Families will receive login information from their child's teacher.

Instructional Grouping and Student Placement

The Pleasant Valley School District rationale for grouping students is to create a classroom environment that is conducive to learning and teaching. Our goal is to maximize the use of instructional time and take into consideration that students learn from each other as well as from the teacher. We always value information you may feel is important to the placement of your child; **but cannot honor requests for specific teachers**. The types of information you may want to share are:

- Health or medical needs
- Family changes
- Peer interactions
- Specific social, emotional, or educational needs
- Learning style

Please contact the guidance department to discuss or share this information.

Field Trips

Field trips are a planned part of the instructional program at each grade level and support academic goals. Parent/Guardian permission notes to participate are required because students will be leaving school property. Since safety is a priority, parents/guardians may be asked to attend field trips as chaperones.

Homework

Homework is a vital part of the instructional process. It is designed to give your child the opportunity to practice learned skills independently. The amount of homework and the content is determined by the

classroom teacher and will vary depending on the content area and grade. If your child has difficulty completing the assigned homework, or if you have any questions, please contact your child's classroom teacher(s).

Support Services

Multidisciplinary Team

The Multidisciplinary Team refers to the team of school professionals, parents/guardians, and community agencies that work together to determine appropriate programming for individual students. This team most commonly is used when determining the programming for students with special needs.

Special Education and Gifted Services

The Pleasant Valley School District is an inclusive school district. This means that students with disabilities and special needs are educated alongside their non-disabled peers to the maximum extent possible. The Pleasant Valley School District, either directly or through various other education agencies, including Colonial Intermediate Unit 20, provides Special Education services which may be required for children with special needs. Please contact your child's school counselor if you have any questions about special education services.

English Learners (EL)

The Pleasant Valley School District provides an English Learner (EL) curriculum for our students that qualify. English learners are identified through a Home Language Survey at the time of registration. A screening process identifies students in need of EL support. At the elementary level, the EL program provides English Learners with a communication program in English that will enable them to fully participate in their educational experience in our schools, in their daily lives, and in our community. The objectives of our program include the following:

1. To develop basic interpersonal skills and cognitive academic language proficiency in English.
2. To develop proficiency in the language domains of speaking, listening, comprehension, reading, and writing from a whole language approach.
3. To develop competence in intercultural interactions.
4. To provide EL's with opportunities to share their language and culture with their peers.
5. To encourage participation in the full range of instructional activities in the mainstream curriculum and extracurricular activities in the school.

Child Study Team/SHARE

As teachers monitor the progress of students academically and/or behaviorally through benchmark assessments, progress monitoring, and through observation, there are times when students may need additional support to reach their potential. These processes are team approaches to developing plans based on student data. Parents/Guardians are a part of this process through communication with the classroom teacher and/or teams.

School Counselors

Our elementary school has a number of individuals who provide the very best learning experiences for your child. Our school counselors support students individually, in small groups, and in the classroom setting. They also consult with teachers, parents/guardians, and the building administration regarding children's academic, social and/or emotional growth. If you would like further information regarding the school counselor's role, please call the guidance office at 570-402-1000 x 6011.

Title I

Title I is a federal program that serves to ensure all children have a fair, equal, and significant opportunity to obtain a high-quality education and meet challenging state academic standards. Title I funding provides supplemental instruction and materials to support all students in meeting grade level academic benchmarks. Parents/guardians are encouraged to be a part of the Title I school-wide planning committee at PVE and are invited to attend the fall and spring Title I meetings as well as parent and family engagement events.

Student Evaluation and Record Keeping

Assessment

The Pleasant Valley School District uses local, nationally-normed, and statewide assessments throughout the school year. Assessment information is used to:

1. Provide information to the Board of Education and the community on the level of education attainment/measured ability of students in the Pleasant Valley School District and comply with various federal or state mandates.
2. Provide information on in-school performance to teachers, students, and families for the purposes of educational planning.
3. Provide information to educators in the schools on student performance in specific curricular areas for the purpose of curriculum planning, modification, and the annual determination of each student's academic progress.
4. Provide educators in the schools with information about individual students upon which to base competent decisions about appropriate instructional interventions.
5. Provide information to educators in the schools to assist in the strategic planning process.

Parent-Teacher Communication

Conferences

Parents/guardians will have the opportunity to attend parent-teacher conferences during the school year. All parents/guardians are encouraged to attend. The conferences will be approximately 10-15 minutes, and may include individual and/or teams of professional and support staff. In the fall, district wide conferences will be held. At any time during the school year, if you want to schedule a conference with your child's teacher, please reach out to the teacher and schedule one.

Progress Reports and Report Cards

In addition to parent-teacher conferences, student progress will be communicated via a quarterly progress report that will be sent approximately mid-way through each marking period. Parents/guardians will also receive a report card for their child at the conclusion of each marking period.

Home-School Communication

Communication between home and school is crucial. Please see some suggestions below that would allow for the best communication between school and home:

Some things to think about:

- Good communication is specific, honest, succinct, and courteous.
- Unfortunately, things are not always interpreted the way the writer or speaker intends. *How* one says something can be more important than *what* one says.
- People often have different perceptions of the same situation. It is wise to verify information before drawing conclusions.
- Children’s home behavior may or may not be consistent with their school behavior.
- There can be no communication without listening.
- All people need to hear good news and compliments.
- Teachers and parents/guardians are working together for the same results—happy, healthy, educated children.

Parent Portal: Infinite Campus

Parents/guardians are encouraged to utilize Infinite Campus to track their child’s academic progress. Should you ever have any questions regarding your child’s progress in school, please contact his or her teacher or school counselor.

PVE Website

Parents/guardians can visit the PVE website to view upcoming events and news related to the school. The website can be accessed at <https://www.pvbears.org/Domain/466>.

Seesaw

Pleasant Valley Elementary School uses the free application, Seesaw, for a lot of our school communication. To receive communications from the school through Seesaw please reference the information provided to you by your child's teacher or contact the PVE office at 570-402-1000 x 6018.

Automatic Phone Calls

Automatic phone calls are sent on Sunday evenings and throughout the school year to share special information with families. If you do not receive these phone calls from us, please call the main office to ensure that your primary contact information is up to date.

Student Health

State Mandated Reporting Requirements

All school district employees are required under state law to report any suspected incidents of child abuse and/or neglect.

Health Services

The school health services team consists of the certified school nurse, health room technician, school physician, and school dentist. The team works together with a primary focus of helping all students to stay as healthy as possible. However, we could never do as much as the student and his/her family can. Health habits such as eating nutritious food, getting adequate rest and exercise daily, plus practicing good hygiene such as frequent hand washing to decrease the risk of transmitting illness such as colds, will go a long way towards staying healthy.

What Happens in the Health Room

1. Students need to obtain permission from school staff to go to the health room except in an emergency.
2. Upon entering the health room, all students with illnesses, injuries, or medication needs will be assessed and care given based on the priority of their complaint. Medical emergencies will take priority.
3. After evaluation by the nurse, the following will occur.
 - a. The problem will be treated and student will return to class.
 - b. The student will rest and return to class if condition improves.
 - c. Parent(s)/guardian(s) will be contacted by the nurse about the illness or injury and a decision will be made if the student will return to class or go home. Reasons a student may need to be sent home include fever over 100°F, vomiting, diarrhea 3 times in the day, severe injury, a contagious condition, or illness at the nurse's discretion. In the event that the illness or injury requires medical care, it is the responsibility of the parent(s)/guardian(s) to arrange for further care.
 - d. The student may present to the nurse's office with an infection or condition that requires follow up either with a physician or treatment at home (pinkeye, etc.). The nurse will inform the parent(s)/guardian(s) of the specific requirement for return to school. The nurse will inform the parent(s)/guardian(s) of the specific requirement for return to school.
4. Injuries that happen at home should be taken care of at home. If the student is seen in the health room for home injuries, the nurse will provide care based upon the complaint.

State-Mandated Screening Tests

1. Height, weight, and vision screenings are done on a yearly basis.

2. Hearing screenings are completed in grades K-3, 7th, and 11th. Hearing screenings are completed for all new and transfer students at the elementary level.
3. Physical examinations are required by the Pennsylvania School Health Act for all original entry (K,1) , 6th, and 11th grade students and transfer students who do not have documentation of a completed physical examination. Student-athletes as per PIAA regulations are also required to have a health care provider complete an examination form. Parents/guardians have the opportunity to have these examinations completed by their private physician or by the school physician. School exams do not provide the necessary immunizations needed for 7th and 11th grade.
4. Dental examinations are required by the Pennsylvania School Health Act for all original entry (K, 1), 3rd, and 7th grade students and transfer students who do not have documentation of a completed dental examination. Parents/Guardians have the opportunity to have these examinations completed by their private dentist, school mobile dentist program, or by the school dentist.

Severe Allergies

The school district recognizes that some students will have severe allergies and that, in order to maintain a safe school environment for students, the school district depends upon the coordination of parents/guardians, health professionals, students, and staff to minimize contact with the allergen and prepare a plan of action in the event the child is exposed to the allergen.

It is the responsibility of the parent/guardian to notify the child's building nurse of the severe allergy. The parent/guardian must submit to the school district a medical statement form confirming the severe allergy and signed by a certified physician, physician assistant, or nurse practitioner. Additionally, a medical statement must be updated yearly by a physician or Nurse Practitioner in order to provide appropriate accommodations.

For a child with a severe food allergy, parents/guardians shall maintain a supply of safe snacks at the school and/or with the child for appropriate use in school.

Although the school district shall provide the necessary accommodations and services to enable a student with severe allergies to attend school safely, the school district is not required to provide medication or personal devices – that is the responsibility of the parents/guardians or others.

When parents/guardians have information that the child's medical condition has changed and that the change may indicate new and/or revised accommodations necessary to safeguard the child, parents/guardians shall provide such information to the school. For more information, see Board Policy No. 209.1 and accompanying regulations.

Dangerous allergies can be triggered by certain types of food or other substances. If a child with such an allergy eats or even touches certain food items or foods processed in a facility with these products, the child may have a life-threatening reaction. Other substances, such as perfumes, can produce similar reactions. Therefore, in classrooms where a child has a severe allergy, we are putting in place these steps to help limit an affected student's exposure to these risky foods or other substances:

- A food or other substance that has been identified as being an allergen to a specific student may not be brought into any classroom to where the child is assigned, whether he/she is in the classroom or not.

- If an allergen is brought into the classroom by a student and it is discovered by the teacher, arrangements will be made to ensure that the child is not exposed to the allergen.

We know that these steps may be inconvenient, but we trust that you understand how serious this issue is. We all want students at Pleasant Valley School District to be safe.

Medication Policy No. 210

Whenever possible, parent(s)/guardian(s) are requested to administer medication at home. Every effort should be made by the parent(s)/guardian(s) and their physician or certified nurse practitioner to schedule the administering of medication, when viable, at times during which the student is not in school, thus eliminating disruption to the student's school day and maximizing his/her participation in the learning process.

No medication will be dispensed by any school district personnel unless the parent/guardian provides the certified school nurse or health room technician with the proper authorization and medication as stated in School Board Policy No. 210. Please see the policy in its entirety for complete information.

- Students requiring medication during school hours must have authorization from their physician on file in the nurse's office and the authorization must include the following:
 - o Date
 - o Full name of student
 - o Name of medication
 - o Prescribed dosage
 - o Time schedule for administration
 - o Length of time (duration) to be given
 - o Diagnosis
 - o Possible side effects
 - o Additional medication currently prescribed
 - o Special conditions
 - o Signature of physician and address and telephone number (including fax number, if possible).
 - o Orders signed by a certified registered nurse practitioner (C.R.N.P.) must include an official office stamp or be submitted on official office letterhead that includes the name and address of the physician.
 - o Signature of parent(s)/guardian(s)

Medication must be in the original container from the pharmacy/doctor. The container must be clearly labeled with the full name of the student and the medication name/dosage.

To ensure the safety of all students, all medications, to include, EpiPens, Twinject, asthma inhalers, “pump” administered medications such as insulin – and supplies needed for administration of medication that include any item that is classified as a “sharp” (e.g. syringes with needles, lancets, etc.) must be brought to school by a parent/guardian and given directly to the school nurse or health room technician. All medication to be taken during school hours must have the accompanying Authorization for Medication During School Hours (No. 210-AR) form on file in the nurse’s office.

Students may transport emergency medications to and from school (asthma inhalers, Epi-Pens, Twinject, “pump”-administered medications such as insulin) once proper authorization is on file in the nurse’s office. In cases where the parent/guardian requests that their child be permitted to carry/self-administer medication as per the order of the physician, the medication must be in a properly labeled pharmacy container with the student’s name and the parent/guardian must accept the legal responsibility should the medication be lost, given to, or taken by a person other than their child. The parent/guardian must also acknowledge that the school district has no legal responsibility to ensure that the medication is taken or when the above-named student administers his/her own medication and bears no responsibility for the benefits or consequences of the administration of the medication. The medication for self-administration by the student must be labeled with the student’s name and signed and dated by the certified school nurse or health room technician that the student has authorization to carry and self-administer. The student will be responsible for keeping the medication in a secure location. The right to self-carry medication may be revoked if the student is mishandling the medication.

Students in possession of over-the-counter, prescription or other types of drugs which have not been registered with the certified school nurse or health room technician will be considered to be in violation of the school district’s drug and alcohol policy and will be subject to disciplinary action.

Parent(s)/Guardian(s) must pick up any unused medication by the last day of the school year. Any unused medication that is not picked up by this time will be discarded.

The Pennsylvania Public School Code, Section 1414.2(g) allows parents/guardians to request an exemption to the administration of an epinephrine auto-injector for their student. In order to request this exemption, contact the school nurse to make an appointment to discuss this decision, review, and sign the opt-out form.

Parents/guardians wishing to choose this option should meet with the school nurse to discuss their decision and then review and sign the opt-out form in the presence of the school nurse.

Immunization Requirements

Under the regulations of the Pennsylvania Department of Health, children in all grades (K-12) in 2022-2023 will be required to provide proof of having received the following immunizations or immunity prior to being admitted to school. Students entering Kindergarten will have 5 days from the first day of school to provide documentation of the following immunizations.

- 4 doses of tetanus, diphtheria and acellular pertussis* (1 dose administered no greater than 4 days prior to the fourth birthday)

- 4 doses polio vaccine (4th dose on or after 4th birthday and at least 6 months after previous dose given. If 3rd dose was administered on or after age 4, a 4th dose is not required in this series.)
- 2 doses of measles, mumps, rubella** (1st dose given on or no greater than 4 days prior to the first birthday)
- 3 doses of hepatitis B vaccine (There must be at least 24 calendar days between dose 1 & 2, 2 months between dose 2 & 3 and a minimum of 4 months between dose 1 & 3, dose 3 must be given at age 24 weeks or greater.)
- 2 doses of varicella vaccine*** (1st dose given on or no greater than 4 days prior to the first birthday) or chickenpox immunity proven by laboratory testing or a written statement of history of chickenpox disease from a physician. The second varicella must be at least 29 days after the first one.

*Usually given as DTaP, DTP or DT or Td

**Usually given as MMR.

***There must be 28 days between the MMR and VV if they are not given on the same day.

Seventh through 12 Grade ADDITIONAL immunization requirements for attendance:

- 2 doses of meningococcal conjugate vaccine (MCV)
- First dose is given 11-15 years of age; a second dose is required at age 16 or entry into 12th grade.
- If the dose was given at 16 years of age or older, only one dose is required.
- 1 dose of tetanus, diphtheria, acellular pertussis (Tdap).
- Students must have the Tdap and first MCV to be able to enter 7th grade

Exclusion From School

In accordance with the above regulation, since you have provided evidence of at least one dose of each vaccine, your child may attend school provisionally after “A plan for completion of the required doses” has been provided. Your child must comply with current immunization law which requires completion of required immunizations or provide a medical certificate completed by a physician, certified registered nurse practitioner, physician assistant or local health department. Any student who does not complete the required immunizations will be excluded from school until the requirement is met.

Medical Exemptions

Children need not be immunized if the family physician (M.D or D.O.) provides a written statement that immunization may be detrimental to the health of the child. When the physician determines that immunization is no longer detrimental to the health of the child, the child will have to comply with the above immunization requirements.

Religious Exemptions

Children need not be immunized if the parent/guardian or emancipated child objects in writing to the immunizations on religious grounds, or on the basis of strong moral or ethical conviction similar to a religious belief. The statement must be written on the back of the child's "Certificate of Immunization" located in the school nurse's office.

Elementary Professional Development School Partnership

For many years, the Pleasant Valley School District and East Stroudsburg University have been partners in the development of an Elementary Professional Development School Collaborative. The goals of the Professional Development School (PDS) are to enhance the learning of all children, to prepare more effective beginning teachers, and to provide ongoing professional development for veteran teachers and university faculty.

As part of the PDS collaborative, a student intern from ESU may be teaching in your child's classroom. The intern will spend a semester under the supervision of the mentor teacher and a university-based supervisor. The mentor teacher and intern will often engage in teaching together, which results in children receiving more individualized attention.

For more information about the Professional Development School Collaborative partnership, please contact building administration.
