

Pleasant Valley Cyber Academy

The only cyber school supported by

PLEASANT VALLEY SCHOOL DISTRICT – *because it's ours!*

“Our daughter has excelled this year and doing cyber/college at the same time has opened the door to many scholarship opportunities for a four-year college. She's extremely happy and so are we!”

Your child's education is one of the most important and challenging parental responsibilities. Educational decisions made today will impact your child's future and will significantly affect his or her life. It's easy to be attracted to cyber charter schools promising choice and flexibility. However, quality may be sacrificed and students may graduate with poor understanding of important concepts needed to be successful. By choosing our cyber program, parents take an important step to provide their child with an opportunity to obtain the future they dream and deserve.

Supportive, Dynamic and Quality-Focused – a Cyber Program to Meet All Your Child’s Needs

The **Pleasant Valley School District** has been educating students effectively for many years and knows what it takes for students to compete in the hyper-competitive quest for college and career whether learning in the conventional classroom or online. It takes rigorous coursework coupled with a combination of live and prepared instructional support.

Our cyber school program is flexible and offers all the support parents and students need to tackle the demands of online learning to achieve their educational goals. We expect the best from our students; that’s why we offer effective support to promote their success.
